The Magnificat

My soul doth magnify the Lord.

And my spirit hath rejoiced: in God my Saviour.

Because He hath regarded the humility of His handmaid: for
behold from henceforth all generations shall call me blessed.

For He that is mighty hath done great things to me: and holy is
His Name.

And His mercy is from generation to generation: to them that
fear Him.

He hath showed might in His arm: He hath scattered the proud
in the conceit of their heart.

He hath put down the mighty from their seat: and hath exalted
the humble.

He hath filled the hungry with good things: and the rich He
hath sent empty away.

He hath received Israel His servant: being mindful of His mercy.

As He spoke to our fathers: to Abraham and to his seed forever.

Lovely Lady dressed in blue
Teach me how to pray
God was just your little Boy
Tell me what to say.
Did you lift Him up sometimes
Gently on your knee
Did you sing to Him
the way Mother does to me?

Telling stories of the world
Oh, and did He cry!
Do you really think he cares
If I tell Him little things?
And do Angel wings make a noise
and can He hear me,
If I speak low?
Does He understand me now?
Tell me for you know.

Lovely Lady dressed in blue
Teach me how to pray
He was just your little Boy
And you know the way.

Dedication

To the courageous pioneers who were the first to traverse this land of Wisconsin; to those who planted the seed of faith in this hallowed spot; to those hardy men and women of yesteryears who sacrificed all for God and country; to those generous parishioners who at the present foster Catholic education so that our American Youth may live Christ-like, Mary-like . . . to all, we dedicate our "Renard."

Theme

We, the Class of 1943, have chosen as our theme for the 1943 "Renard" the famous canticle of Mary Immaculate, "THE MAGNIFICAT." In this immortal hymn, the Virgin Mother of God sang the praises of her Creator. Her sinless, beautiful soul was inundated with celestial joy and gratitude and in sublime ecstasy Mary uttered the inspired words:

"My soul doth magnify the Lord
And my spirit rejoiced in God, my Savior."

As Mary hurried eagerly over the "hill country" to render loving service to her cousin Elizabeth—so we, too, journeyed over the "hill country" in this our loved Alma Mater to receive a complete education developing our spiritual, mental, and physical abilities. It was here in dear St. Mary's that the divine law and precepts were inculcated into our youthful hearts—it was here, in this hallowed spot that we were trained to meet the severe problems of our lives—here our hearts, minds and wills were disciplined under the masterhand of Truth, Virtue, and Beauty. And now, standing at the cross-roads, we with grateful hearts join in Mary's beautiful anthem, saying:

"Our souls do magnify the Lord,
For He hath done great things unto us."

Yes, we go forth into the war-torn world to work out our salvation. But not alone. For there is the ever shining Star, Mary, that guides us on—and under her protection we go forth to do our part—to live our lives and render sweet service to all men. Through the untiring interest of our school we learnt to love and cherish high ideals and in this way we will make that world of ours a better place to live in, because, through sacrifice and service we bring down upon us the "mercy" of God—"His mercy—from generation to generation unto them that fear Him."

The History of St. Mary Parish

Upon the advice of Right Reverend M. Henni, Bishop of Milwaukee, the German-speaking Catholics of Menasha separated from St. Charles Congregation now known as St. Patrick Church and organized a parish of their own under the leadership of Reverend Father William Wilkens. At once they bought a church building with adjoining property from the Congregational Church of Menasha. After making the necessary repairs, the building was blessed by the bishop and dedicated to Our Blessed Lady. This was in the spring of 1867. The first resident pastor of this beautiful new Church was the Reverend F. Uhlemeyer.

The German Catholics, who now were in the possession of a sacred edifice in which to serve God, realized the need of a Catholic education. Immediately they made plans to erect a parochial school and under the direction of the Reverend Father Uhlemeyer the first Catholic school was built in Menasha. It was placed in charge of the Franciscan Sisters.

In 1871 Reverend Father Uhlemeyer left Menasha to be succeeded by Reverend Joseph Nussbaum. During his pastorate of eighteen months, Reverend Nussbaum organized the St. Joseph Society which is still in existence and now affiliated with the Central Society.

Reverend J. Jaster became the pastor of the parish and in September 1874, he called the School Sisters of Notre Dame to take charge of the school. These Sisters have been a great factor in building up the parish, both spiritually and intellectually.

The death of Father Jaster in March 1875, brought to Menasha Reverend Father Andrew Seubert, a priest whose faith can be seen in the works he left behind, a man universally beloved and whose counsel was often sought by bishops and priests.

Little St. Mary Church was destroyed by fire on Ash Wednesday, 1883. Financially this disaster was a great blow to the people, most of whom were poor laborers. But this did not discourage Reverend Father Seubert. In three days he had \$14,000 subscribed towards a new Church and Bishop Krautbauer dedicated the newly constructed building in November of the same year. This present St. Mary Church with its well-proportioned steeple is an architectural ornament of the city. A splendid speci-

men of Gothic structure, it was designed by Architect Druiding of Chicago. During the course of time a large sacristy was added to it which in by-gone days has often served as a chapel.

In 1893 Reverend Father Seubert built a new school with eight class rooms and a spacious hall. Again, the pioneers of St. Mary's showed a spirit of sacrifice and generosity.

Soon, through the immigration of Polish-speaking Catholics, St. Mary's became a mixed Congregation. Not being able to speak Polish, Reverend Father Seubert built a combination Church and school for the Polish-speaking members of his flock. Thus it was that St. John Parish came into existence. By 1888, the names of seventy-five families appeared on the roster of St. John.

In March 1901, due to failing health, Reverend Father Seubert resigned as pastor of St. Mary's and retired to St. Elizabeth Hospital at Appleton.

Reverend Herman Rogier, a Salvatorian priest, had charge of St. Mary Congregation until a resident pastor was appointed. Reverend N. Hens was then transferred from Kaukauna to Menasha in November of the same year. After finding the pastoral duties rather arduous he was given an assistant, an able man in the person of Reverend Father V. C. Hugo.

In July 1905, responsibilities of the pastorate still being too great, he laid the pastoral staff into the hands of Reverend Peter Schmitz. The latter labored in the parish until the time of his death September 1914. Reverend Father John Hummel, then Rector of the Cathedral in Green Bay, succeeded the late Father Schmitz. From the very beginning he has enjoyed the confidence of his people and they have helped him to build up the parish. The pastorate of Right Reverend Monsignor Hummel marks a glorious record in the history of St. Mary Parish.

History of St. Mary School

St. Mary School was the first school in the diocese of Green Bay. It was built in September of the year 1868, and was a brick building consisting of two stories. On the lower floor were two classrooms while the upper floor was used as a parsonage.

The Sisters of St. Francis were then called upon to take charge of the school. Four Sisters, three teachers and a sister who was to take care of the domestic duties came to Menasha. Sister Mary Ludovicia was the appointed Sister Superior of the school. She was a very capable and well-educated young lady. Her ability can be best made known in the statement that she was Superior General of the Order for forty-six years.

St. Mary opened with an excellent enrollment. Children came to attend from both the German and Irish parishes. Even Protestants confidently sent their children to this school. Only elementary subjects were taught because none of the students intended to work for a higher education. God blessed the labors of these good sisters and the school flourished successfully.

In 1872 Rev. J. Jaster took charge of the parish. He invited the School Sisters of Notre Dame to teach in this prosperous school.

In 1893 Rev. Father Andrew Seubert built a new and well-equipped school. Later, in 1921, Right Rev. Monsignor J. Hummel had it remodeled and the school received still better accommodations. In 1926, a final addition was made. For a few years the students were only able to take a fully equipped commercial course. But in 1927 the classical courses

were added. In this year there were sixty students in the High School.

Rev. Nicholas J. Langenfeld was the founder of St. Mary Band which was formally organized on June 10, 1927. Thirty students pledged themselves to attend rehearsals weekly. A small beginning but what tremendous results.

Our first football team was organized in 1928. There were no interscholastic competitions but the teams played the Junior Holy Name gridders from the surrounding towns. In 1929 the boys played their first football with other high school teams.

The basketball team was also organized in 1928. Again there was no interscholastic competition and the boys were content to play among themselves.

The new gymnasium and auditorium was added in 1930. Work began the 29th of March and May 8, Right Rev. Monsignor John Hummel blessed the corner stone.

In 1929 the first graduating exercises took place. Two weeks later, on that memorable Friday, June 28th, 1929 Rev. Joseph A. Becker arrived to take over the work of the school as its principal. With priestly zeal and energy he undertook the guidance of St. Mary School which was to become the bulwark of Catholic education. Nothing was left undone—Religion, academic courses, music, athletics—all received undivided attention so that St. Mary ranks topmost in the field of education.

In 1930, as a grand finale, St. Mary High School was placed on the list of accredited high schools by the North Central Association.

Corpus Christi Procession at St. Mary

At St. Mary's, Corpus Christi is a day of great pomp and splendor to honor Christ the King. Amid the ringing of church bells, the solemn chant of the choir, the fervent recitation of the rosary, the impressive tones of St. Mary Band, our Eucharistic Lord is carried aloft in procession on the parish grounds. Reverently the faithful escort their King; devoutly they adore Him . . . they praise Him.

"For God and Country"

The presentation of the Papal flag and the "stars and stripes" to the Church by the Holy Name men crystallized the expression "...for God and country." Side by side they stand before the altar, each as colorful and rich in history as the other. Proudly we hail them and loyally we serve them both.

1874

The Blessed Virgin Mary in the garb of a School Sister of Notre Dame appears to Mother Mary Alix LeClerc

"They that instruct many to Justice
shall shine as the Stars for all eternity."

Since the dawn of 1874 until the present day the School Sisters of Notre Dame taught in St. Mary grade and high school. Prompted by noble sacrifice and steadfast perseverance these consecrated souls have endeavored to instil into the hearts of the youths at St. Mary Parish deep, reverent love and knowledge of God and His holy cause.

Fervently, we the Class of 1943 beg God to bestow His choicest blessings upon our heroic teachers who still labor in His vineyard and we plead with Him to grant eternal rest and abundant reward to those who have passed beyond the portals of death.

Right Reverend
Monsignor
John J. Hummel
Pastor and Instructor

Priest, pastor and father—these titles express dignity, vigilance and guidance and it is these expressive terms that apply to Right Reverend Monsignor Hummel who by his priestly kindness, devotedness and interest in our welfare has been endeared to our hearts and minds.

As the spiritual director "He hath shown might in his arm: He hath scattered the proud in the conceit of their hearts." By his ever solicitous admonitions and kindly advice he urged us on to be the leaders of Catholic Youth of America—he ever encouraged us to follow the standard of Christ. In his winning manner he pleaded with us to live good virtuous lives.

We pledge our loyalty to you, Right Reverend Monsignor, we will never forget you—you will be our model, our example and we promise you to do our best in life's school.

It is with deepest love and reverence that we extend our heartiest thanks and appreciation to our loved pastor. May the "Magnificat Madonna" guide and protect our Right Reverend Monsignor through the "hill country" of this world until he reaches the Great Beyond there to receive the eternal recompense of his sacerdotal labors in the sheep-fold of the Divine Shepherd.

Reverend Father
Joseph A. Becker
Principal and Instructor

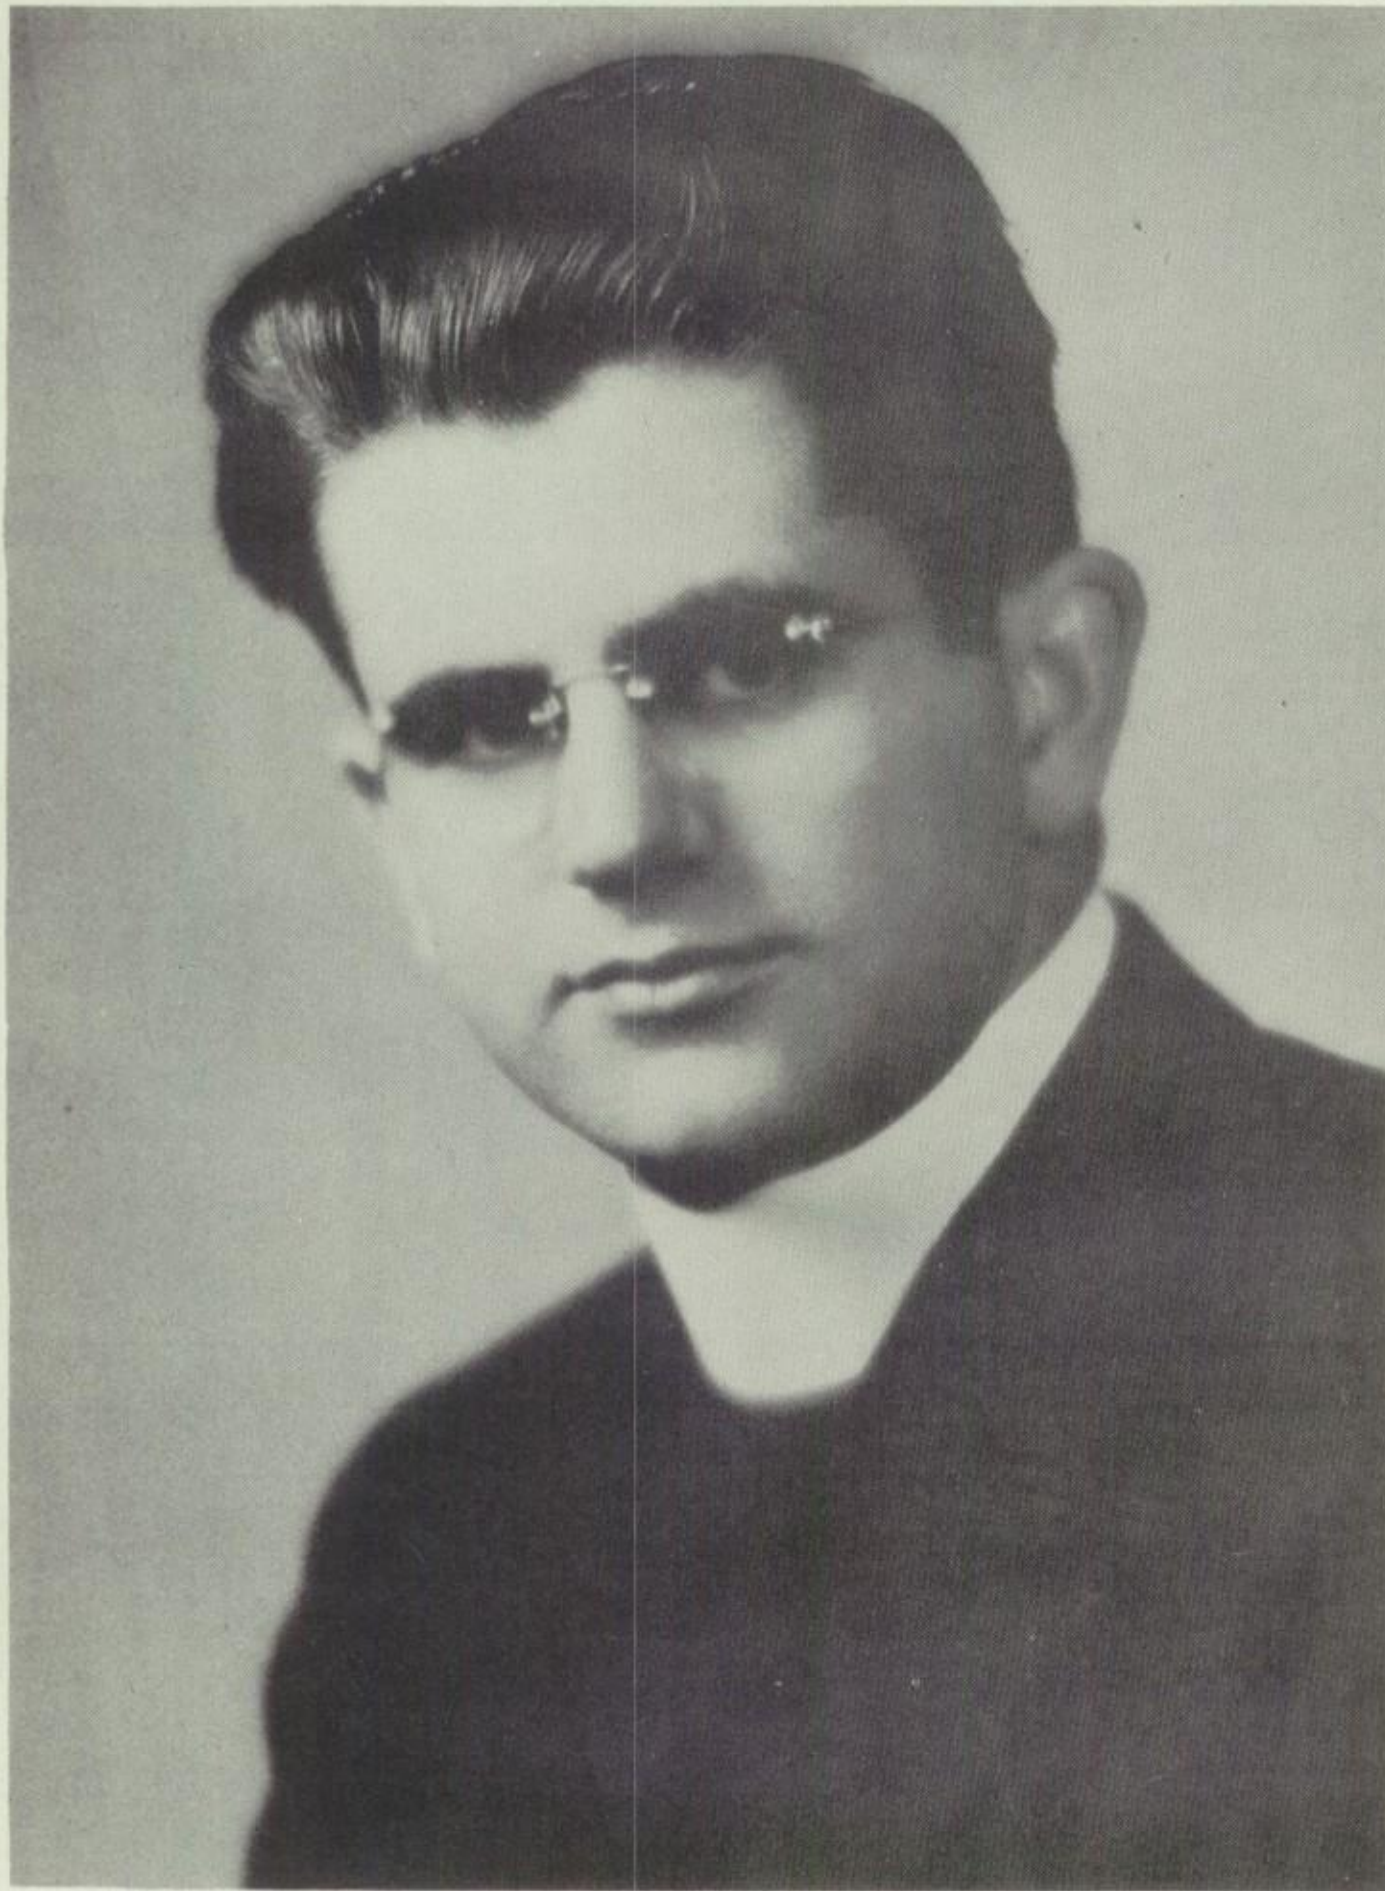

Our Principal! Our Guide! Our Advisor! It is with hearts sincere that we, the Class of 1943, say, "Our souls do magnify the Lord" for having given St. Mary so dynamic a leader in the person of Reverend Father Joseph A. Becker. "Generations shall call him blessed," yes, blessed is he, for we received at his hands God's most wonderful gifts, both spiritual and temporal. Graduates leaving the hallowed precincts of our loved St. Mary received an education marked with the sign of Christ.

As our spiritual advisor, he has impressed upon us high ideals that should make us courageous Catholic men and women. Day after day he instructed us thoroughly in the doctrines of our faith, our noble heritage.

Personal ambition and comfort, he has placed in the background in order that we, his children, would receive an education that is complete and God-like.

For these countless benefactions we are grateful. Words cannot express our appreciation. When we leave St. Mary, Father Becker will always be uppermost in our minds and hearts. We cannot reward him for his efforts, for his untiring labors, but we shall pray for him and ask God to reward him with every blessing and success. May our future lives lived according to God's sacred law give joy to the priestly heart of Reverend Father Becker.

Again we say, "Thank you. Thank you. THANK YOU!"

Reverend
Father B. Marx

Instructor and
Athletic Director

We extend a hearty and sincere welcome to our assistant and religious instructor, Reverend Father B. Marx. From the very beginning he earned the respect and loyalty of the entire student body. His kind interest in all activities makes him a very popular and admired figure among the students at St. Mary's.

He is laboring unceasingly for the good of others and his work shall not be in vain. He is our advisor,

our counsellor, but best of all he is our friend. We the class of '43 are sorry we did not meet him sooner but we feel that we are fortunate to know him and he shall ever be in our prayers.

May our Eucharistic King shower His choicest blessings upon him and may our Queen, Mary Immaculate protect him always. Again, we sincerely say, "Thank you, Reverend Father Marx."

Perpetual Adoration

In response to an urgent appeal made by the principal, Reverend Father Joseph A. Becker, students now take part in the Perpetual Adoration from 8:45 in the morning until 6:00 in the evening. During these hours silent adorers kneel before our Eucharistic King to plead for our sin-afflicted world.

These periods of Adoration last twenty minutes. Only volunteers participate. It is edifying to note how many students go with cheerful hearts and with unfailing regularity to the self-imposed duty of love.

When Father Becker addressed the student body on this beautiful devotion, he tried to impress upon them that the Adoration should entail a sacrifice—therefore students give the time which they might otherwise use for their own pleasure to pay homage to their Master and to entreat Him to protect our courageous men who are fighting so bravely for us.

Their ready response to this call proves the loyalty and spirit that exists at dear St. Mary's. Devoutly they pray in one grand unison,

"Oh, Sacrament most holy,
Oh, Sacrament divine
All praise and all thanksgiving
Be every moment Thine."

Living Rosary

Perhaps the most beautiful scene witnessed each year on St. Mary's campus is the colorful Living Rosary. Composed of the students, the Pater Nosters are represented by boys clothed in cassocks and surplices and the Ave Marias by girls dressed in blue gowns. Slowly approaching Our Lady's statue, the rosary is fervently said by Mary's devoted children.

Our Lady Day

May, 1942

On a beautiful May day, the students of St. Mary's held their annual procession in honor of Mary, Queen Immaculate. Just as the glow of the setting sun tinged the sky, the wreath of blossoms was placed on Mary's brow and the air was vibrant with hymns in her honor.

Junior Prom

May, 1942

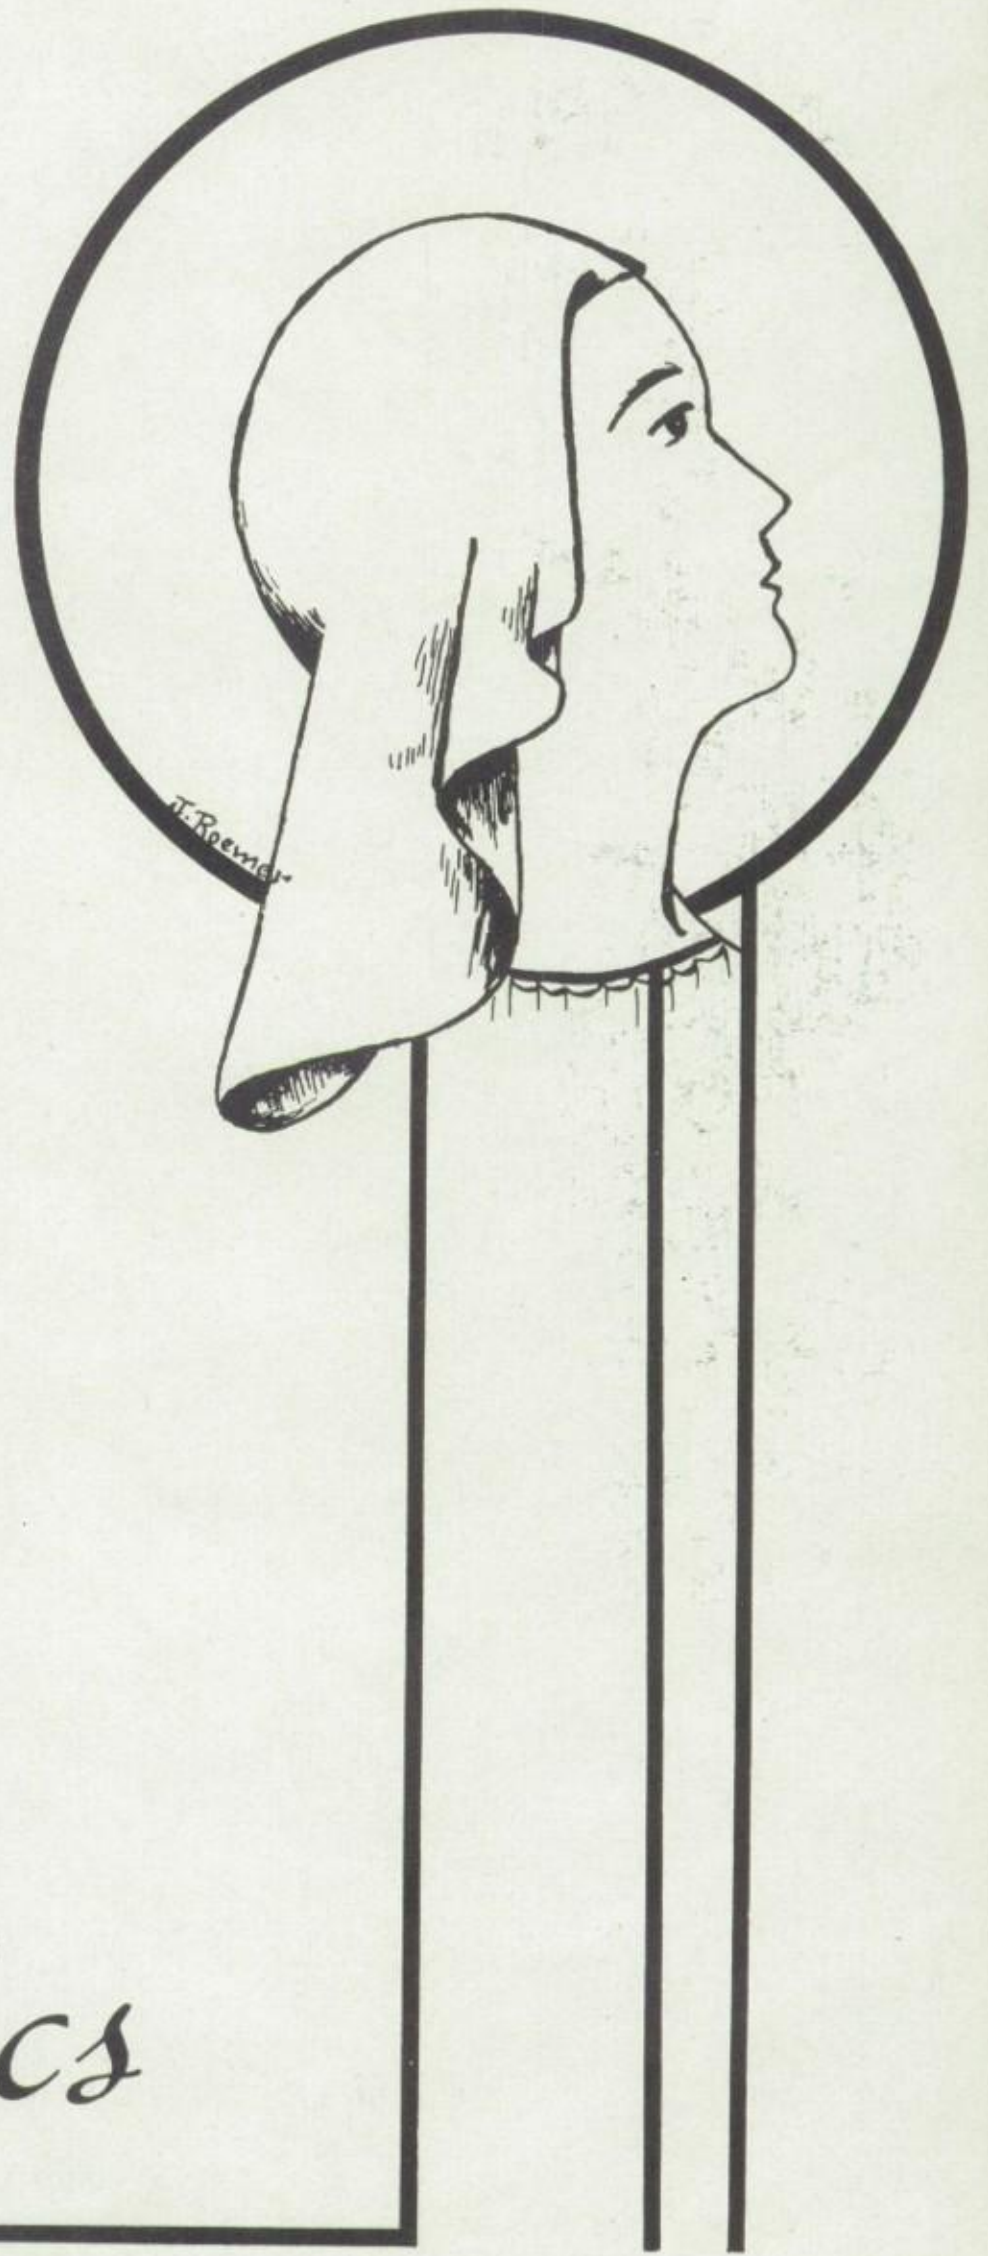

The culmination of social glory at St. Mary's! That's what our Prom was. Gaily attired couples danced gleefully beneath the shadows of the "Stars and Stripes." Mary, Queen of Sodalis was our guest and standing in V-shaped ranks before her, we renewed our pledge to her.

Now in those days Mary arose
and went with haste
into the hill country.

A TOAST

Here's to you, Coach Trish!
Here's to your courage and might!
Here's to the Leader of our team
Of the squad of Blue and White
Lead them on to glorious fame
Teach them how to play the game!

Coach
Fred Trish
"Doug"

It is with feeling of deep appreciation and highest esteem that we shall always regard our friend, Mr. F. Trish. We Seniors, proud to have been under his tutelage, dedicate this page in our memory book to him, but with one regret—that our academic relationship must come to a close so swiftly.

Having finished his third and most successful year as a St. Mary coach, he has shown his fine characteristics of "fair play" and sportsmanship and given all his athletes a good example of an ideal gentleman. This year, our football team achieved high recognition in the football world. "Undefeated" is the title earned

for the first time in the history of the school, and this was accomplished only through the leadership of Mr. Trish and the splendid cooperation of the squad. It has been through his unceasing and untiring effort that St. Mary has had these winning teams. We shall always remember his unselfish interest in our school and ever admire his unfaltering support of the right principles.

This versatile teacher and mentor has proven his sincerity, integrity and sportsmanship by accepting this responsibility.

Mr. Trish, we are proud that St. Mary's can claim you as her own!

FRANK ALBERT—Senior tackle and the team's kicker, Frank was hard to keep out of a game. Our opponents will long remember him, as will the fans of St. Mary's. Frank's loss will be one of Coach Trish's hardest problems to solve next year.

CYRIL BAYER—"Cy" formerly held down center position, but now as a Senior he was a very dependable and scrappy end in the line. He served St. Mary's courageously and was a great asset to the team by his consistent playing. Good luck to you.

DICK GEIGER—A Junior fullback led the Zephyrs in scoring this year. Dick's power in running and kick-

ing was of inestimable value to the team and often turned the tide in a game. Here's hoping for greater things, next year.

EMMETTE HOKS—Emmy was the other Senior co-captain of the 1942 team. He played fullback his first three years and quarterback in his last. His tremendous drive and all-around play marked him as an evil omen to opponents.

ROBERT KOSER—This sturdy Junior center sparked the line by great defensive play. Bob never missed a tackle on block, and intercepted many passes which might have proven dangerous.

ROBERT KOTESKI—Came out to take part in football in his Senior year. He proved to be a hard running halfback, and made up for inexperience with fight and determination to win.

DICK LAEMMRICH—Dick, a Senior, played tackle throughout his three years of high school life but this year was switched over to guard. This position he handled admirably.

THOMAS SCHIPFERLING—our halfback this year showed himself a famous player. His running and passing were outstanding, at times even sensational.

It seems that he is filling his brother Lennie's shoes very capably.

BOB TUMMETT—Bob played tackle; as a Junior took the position of guard. Much is expected of him next year as a Senior. He did his best to stop a play and was considered a good offense man.

THOMAS VERBRICK—was co-captain of the 1942 Championship Football Team. He played end in his freshman year and tackle his last three years. This hefty lineman was a vital cog in this year's clicking line-up.

Now 'tis time to give due credit to the ever unheralded second team. Perhaps these boys didn't get a taste of action in the "big" games, but they had their own little battles where they ripened for the coming years. Always working hard and in earnest, these boys formed the opposition for the varsity in scrimmage practice. But these are the lads who will carry on the glory of the St. Mary's Blue and White.

"To find and give the best; to face life squarely" is the motto of St. Mary players.

Mr. G. W. Unser
Band Director

Here's to the man who has done great things for St. Mary's. Taking a small group of students who were eager to learn music, this talented director was the one to teach these students, the charm and beauty of music. Working hard and earnestly at this task he gradually built up a fine group known as the "St. Mary Band." Now this same title has won recognition and honor and the mere mention of it brings nods of approval and pride.

The ambitious Mr. Unser not satisfied with these accomplishments started grooming individuals for national competition. In this field again he succeeded for the students brought back more fame and acclaim.

Yes, indeed, Mr. Unser has done great things for St. Mary's. We are deeply grateful and indebted to him and we shall remember him always. Thank you, Mr. Unser and God bless you!

STAMP NOTES

Published Quarterly by the Mission Stamp Bureau
St. Louis University, St. Louis, Missouri

VOL. XII NO. IV

MAY, 1942

NUMBER ONE IN THE STAMP Parade! ST MARY SCHOOL, MENASHA.

The big news has just broken! Little Joe, Jimmy and Jerry Mission-minded have just found out the winners of the Stamp Contest and they are out following the Champions. They're all excited about the news because they know it means more help for the Missions. (You see they get all excited about anything that has to do with the Missions.) How about it?...let's all join the three little Mission-mindeds in a big cheer of CONGRATULATIONS to the winners.

St. Mary School, Menasha.....	107,480 points.
St. Scholastica College, Duluth..	98,496 points.
Messmer High, Milwaukee.....	97,534 points.
St. Alphonsus High, St. Louis....	75,866 points.
St. Constance High, Chicago.....	70,782 points.

Our Lady of Lourdes Hl, Marinette.	42,736 points.
Sacred Heart Academy, Eggertsville.	37,482 points.
Rosary School, Oklahoma City.....	31,652 points.

According to the rules of the contest a six year subscription to Jesuit Missions was awarded each of the schools getting a total of more than 50,000 points. Four schools, besides the first and second prize winners reached this mark. Four other schools acquired a total of more than

30,000 points, and to these latter we have awarded a one year subscription to Jesuit Missions.

In all, thirty-five schools took part in the contest competition, and it was their mission interest and enthusiasm that made the Contest the big success it was. We are deeply grateful to all of them. We wish all could have won the prizes, but then that's the way a contest works. But even if they haven't all won prizes for their schools they can be sure that they have helped win prizes most dear to Christ the King; Human Souls!

The following schools deserve honorable mention for their cooperation in the Contest; and a real sincere THANK-YOU too.

Academy Visitation, St. Louis.....	26,296 points.
St. Peter's School, St. Charles...	25,136 points.

"When our enemies challenged our country to stand up and fight, they challenged each and every one of us, and each and every one of us has accepted the challenge for himself and for the Nation."

These stirring words spoken by our able president, Franklin D. Roosevelt, expresses minutely every patriotic American's feeling toward the challenge of the enemy. This is no half-way war, it is total war, and no one is shirking the huge task before him. Every man, woman, and student is asked to do something in this war effort and they are answering their country's call.

The younger generation, by no means, is sitting idly by when every one is straining to the utmost to hasten the day of victory and peace. Our capable principal, realizing the energy and usefulness in high school students, rose immediately to the occasion and quickly introduced into St. Mary High School the Victory Corps.

There are six branches of service in this Corps, namely, the Air Service, Sea Service, Land Service, Production Service, Community Service, and General. Each branch has its particular requirements. Physical fitness is one of the basic essentials, and ability in school courses is also necessary.

Snappy battleship gray hats have the red, white and blue insignia indicating the special division in which the student has placed himself by scholastic work. At various assemblies the hats are proudly worn by the young patriotic Americans who are doing their bit towards victory by studying, preparing, so as to keep America always "the land of the free."

The First Day at St. Mary School

September 1, 1868

Margaret Lueckenbach, 80 years old last September 21, was among the group of children that entered the building known to Menasha people as St. Mary's School. The parish of St. Mary had been founded one year before and during the Spring and Summer the "new school" had been built. During the construction the scaffolding fell in but without serious injury to the workmen. The building was hardly completed when September 1 appeared on the calendar. The Sisters had arrived from La Crosse to take charge of the school. Sister Paschalina, Sister Johanna, Sister Ludovica, Sister Hyacinth, and Sister Jacoba comprised the first community. They took up their residence in the upper story of the school building. The lower story served as two classrooms, the upper grades on one side; the lower, on the other. The school was situated close to the Second street curbing just east of the walk leading

into the present school and in front of the present statue of Our Lady. The church stood on the southeast side corner of the block. The priest's house, a very small white frame house, was located just west of the present gym. There was only one other house on the block which was occupied by the Stark family.

School sessions were regular. In the morning the teaching of Catechism and other subjects was in German; in the afternoon everything was in English. Long benches served as school desks. The boys slid into them on one side, the girls on the other. Margaret, then in the first grade, remembers that they had chalk and blackboards. Wood-stoves were used to keep the rooms warm during the cold winters. Such were the conditions of the first school at St. Mary. Thus forty children of the first forty families opened St. Mary School just seventy-five years ago on September 1, 1868. Today eight hundred families supply the school.

A Tribute to Parents

Mother! Father! The two most precious people in the world! Our favorite memories are those of a loving mother kissing away our childish cares, calming our fears; of a slightly stern father who disciplined with a firm hand but loved us no less.

Giving life, sheltering and educating us, above all, anchoring us deep in the stronghold of our faith, you, dear parents, fulfilled your mission to God. You are our ideals. How many sacrifices you have made in order that we could be a little more comfortable or happy; we'll never know. Your love is boundless and we give our love in return. That is all you ask. May you ever be proud of us, your children.

Your advice and encouragement will be a light in our moments of darkness. We have no fear for the future for you have prepared us well. We will enter an entirely new world on graduation night but we will enter it well-equipped with love, knowledge and faith.

Gratitude to you reigns high in our hearts. May God bless you always, keep you from harm and guide you through this vale of tears. May He receive you with open arms to the abode of the blessed.

We thank you, dearly beloved parents, for all . . . ALL . . . and may our lives be a LIVING tribute to you.

Standing: Richard Ferron, Rosemary Leiker, Donald Quinn, Gloria Terrien, Cyril Bayer, Donald DeBruin.
Sitting: Mary Jane Nabbefeld, Elizabeth Niles, Thomas Bach, Emmette Hoks, Rita Gollner.

29—Keeping up a steady pace all the way, St. Mary Zephyrs polished all Green Bay Central cagers with a shining 32-15 score. A

dance finished off the grand feeling of victory.

port cards were received—causing both regret and a satisfied feeling.

5—The Flying Dutchmen, always a foe that we wish to vanquish, went home subdued by a 35-21 clean-up.

9—St. Norbert sadly bowed their defeated heads to our victorious team who strung up another win—35-15. Fine work, Zephyrs, and what history!

10—Sodality meeting with a thought-provoking discussion and interesting reports.

11—In what turned out to be one of the most exciting games of the year (and the noisiest) our team defeated Kimberly 23-18. We're proud of you, team!!!

Ah!!! luscious sea-foam, creamy fudge, smooth peanut-butter candy, buttery popcorn—could any human being resist? No! and that's the reason the Sophomore candy sale was such a big success.

12—Come on, Sodalists! Buy a tag! This year, as a special attraction, there is a lovely miraculous medal in the center of each heart. A

very successful Tag Day. Sodalists exhibit love for Mary, our Mother.

14—Valentine Day—our chance to offer a valentine of Mass and Holy Communion to Mary, dearest of all mothers.

16—Mr. Nelson Colby, an expert on vices and crime, gave a very educational talk which pointed out the folly of bad habits. Roars of laughter greeted him in his various imitations.

17—What an array of Catholic books, magazines, and posters! ! A really interesting display. We certainly have some artistic students! ! ! The slogan from now on is, "Read Catholic literature and reflect."

18—Band concert! Matinee for students. Everyone enjoyed this musical program.

19—A flashy East De Pere team tried to vanquish us, but failed. We won by a score of 35-26. The sophomores then staged a dance, smooth music, soft lights and a big crowd. What a delight!

21—Winter Band Concert! Excellent entertainment as always. The A Cappella rendered "Sweet and Low" and "Kentucky Babe" to everyone's satisfaction.

Tom, Les and Donnie continued their A work on their trumpets.

22—Washington's Birthday—George cut down the cherry tree—Father Becker cut down the periods. Three cheers for both of them!!!

24—Sodality meeting—serious thinking was the main result of the meeting. Splendid talks and suggestions were offered from all sides for the coming retreat.

26—The Neenah Rockets really flashed through the skies as they soared past us at a 32-20 pace. We'll get 'em next year!

27—Catholic Men's Bowling Tournament opens—mm-m scores pretty good. Read results in local newspaper.

their dancing tonight in order to
settle down to a serious and
profitable retreat and Lent.
- 7—The Zephyrs started out in the
St. Norbert tournament with a
bang! Defeated Lourdes 39-21,
but were sadly squeezed out by
Edgewood 26-16. Nevertheless
we placed second in tourna-
ment. Congratulations to "Zel"
and Kluba. Hip, hip, hooray!
- 10—Opening of the retreat for St.
Mary High School students. St.
Mary halls were quiet. Silence
reigns supreme.

"wearin' of the green"! Everyone
is filled with the infectious gayety
of the Irish! !

I thought the wing was on

This lyrical absurdity shows how
light-hearted and carefree spring
has made the students feel!
